

## **Trinity Sixth Form Academy: Provider Access Statement**

### **Introduction**

This policy statement sets out the academy's arrangements for managing the access of providers for the students at the academy, for the purpose of giving them information about the provider's education or training offer. This complies with the academy's legal obligations under Section 42B of the Education Act 1997.

### **Student entitlement**

All students in Years 12-13 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.  
Management of provider access requests

### **Premises and Facilities**

The academy will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The academy will also give the provider access to specialist equipment, such as computers, for presentations where appropriate. This will be discussed and agreed in advance of the visit with the career's leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre. The Resource Centre is available to all students at break and lunch time.
