

28 September 2021

Dear Parent/Carer

Please find attached the first edition of the Parent Pack supplied by Amazing Apprenticeships. They offer lots of useful hints and tips for supporting your child if they are seeking an apprenticeship. Their website is also worth a look. This information will also be shared with students through their Trinity+ sessions.

I would like to take this opportunity to introduce myself as the career's leader here at the academy. Part of my role is to ensure that all students are supported in researching and applying to their chosen destinations. To read more about the careers programme, please visit our website.

Yours sincerely

Hannah Ashton
Associate Assistant Principal
