

15 March 2022

Dear Parent/Carer

The Government have confirmed that all exams will go ahead this summer and therefore, to support Y13 students, we are running trial exams next week, 21 – 25 March 2022.

During this week, normal lessons will be cancelled and students will only be expected to attend on the days of their examinations. All students should have received their timetables. Students will therefore have time at home to complete independent revision and in some cases, teachers will be running virtual revision sessions through Microsoft Teams.

These exams are of the utmost importance, as due to the pandemic, students have had limited opportunities to complete formal style exams. All exams will be conducted formally with invigilators to replicate the exam experience. Morning exams will start at 9.00am prompt and afternoon exams will start at 1.30pm prompt, please can you encourage your son/daughter to arrive promptly and with the correct equipment.

Yours sincerely

Mr M Fitzsimons
Principal
