

Issue 27—13 May 2022

PwC Virtual Insight Week

[Virtual Insight Week programme](#) provides opportunities to gain lots of valuable skills and explore your career options with PwC. You may be interested in doing an apprenticeship, going to university, or a combination of both. Perhaps you're still not sure, and you simply want to find out more about PwC and the different areas that you could join. Their Virtual Insight Week will help you answer these questions by giving you an insight into their different business areas, and you'll also hear from their people who joined through a range of pathways and programmes. The programme will run from Monday 25 to Friday 29 July.

International Nurses Day

This week saw International Nurses Day, a day dedicated to the continuous hard work and commitment nurses across the UK display. While the celebration itself was on Thursday, the NHS have a sign up sheet where you can register to access all the information you may have missed, as well as receive news about upcoming webinars and events. If a career in nursing sounds right for you, [sign up today](#).

Jet2 Apprenticeship

Jet2 currently have a range of live vacancies on their website including a [Business Associate Apprenticeship](#). The apprenticeship, on-the-job learning and mentor support offer a fantastic opportunity to learn the skills to engage with different departments and interact with internal or external customers.

Hanson Higher Apprenticeship Programme

Hanson UK is split into four business lines – aggregates, concrete, asphalt and contracting and cement. Together they operate around 300 manufacturing sites and employ over 3,500 people. Applications close on Sunday 10 July for their [Leadership Education and Development \(LEAD\) Higher Apprenticeship programme](#). LEAD has proved to be an ideal launching pad for those who wish to develop a long-term career in the mineral sector.

SpringPod: University Experience Hub

Using [SpringPod's University Hub](#), you can check out a variety of different universities from all over the UK, discover various statistics about them and gather all the information needed when making the decision about where to study next. Subject Spotlights is a series of engaging, Netflix-style mini lectures delivered by top professors to help you explore different subjects. There's also lots of content to help with the living side of university too. Advice about finance, socialising, accommodation and loads more can all be found - for free!
