

### Girls Into Electronics Event

The University of Sheffield are running an in-person, one day course aimed at girls who have an interest in entering the field of Electronics. Participants can find out more about Electronics and studying the subject at university level, as well as hearing from female graduate engineers working in the sector. The session will run on Wednesday 4 July from 9am until 4pm, and is charged at £25. If you are interested and would like to learn more or book a place, please [follow the link](#).

### Work Experience Opportunities

#### [Siemens Work Experience](#)

During this programme, you will meet with Siemens experts to explore the core focusses of the business, such as digitalisation, climate action, smart infrastructure and diversity and inclusion. You'll discover the variety of roles across the company and learn how to kick-start your career with a Siemens apprenticeship.

#### [Fujitsu WorkX](#)

On this Fujitsu WorkX virtual work experience programme, you'll learn about the company's passion for using technology to create a more inclusive and sustainable future in the Fujitsu Way. You'll explore various areas of the business including cybersecurity, quantum computing and automation.

### Insight into Entrepreneurship

The Authority Agency are running a virtual insight session on Monday 4 July that will give students the opportunity to gain expert advice about the logistics of setting up and running a business. [Follow the link](#) to read more about the opportunity and to book your place!
