

### SkillsFest Leeds

Lloyds are bringing SkillsFest to the new tech and data hub in central Leeds on Saturday 15 June. Learn about apprenticeships (even meet a few), chat with their university partners, try your hand at some of the careers on offer and build skills for the future through fun immersive interactions. See what it takes to build Britain's biggest digital bank. Scan the QR codes for tickets.

Morning session  
10:00 – 12:30

Afternoon session  
14:00 – 16:30

### National Volunteers Week 2024

## VOLUNTEERS' WEEK 2024

Mon 3rd June - Sun 9th June

### Personal Statement Support Webinar

Make your Personal Statement stand out / Making the most of Summer (work experience tips etc) with the University of Bradford. Join their webinar on Tuesday 2 July:

UNIVERSITY of  
**BRADFORD**

How do you get insight into your chosen career? How can you gain relevant work experience to detail in your personal statement? This session will explore these questions and offer some practical solutions.

### Apprenticeship Information

[Apprenticeships in the Royal Signals:](#)

The Royal Signals are at the forefront of everything that the Army does, in conflict and in peace. They ensure the Army's lines of communication are working effectively and free from security breaches. Join this webinar to learn more about the range of apprenticeship opportunities available within the Royal Signals and to hear from inspiring Soldiers about their career journey, what their apprenticeships involve and why they chose an apprenticeship with the Army.

### Apprenticeship Podcast:

Let's talk about... engineering apprenticeships

for schools

## Labour Market Information

Visit [www.careerpilot.org](http://www.careerpilot.org) for up to date labour market information. You can complete quizzes which will help you identify suitable careers, as well as conducting further research in to the world of apprenticeships and employment.

In addition, you can use the LMI widget to compare different jobs and sectors across the UK.

## Career Spotlight: Geoscientist

### Salary:

Between £41,000 and £47,000 depending on specialty.

### Qualifications:

You'll need a degree in a relevant subject like: Earth science, environmental geology, geology, geophysics and geoscience.

Some employers may expect you to have, or be working towards, a postgraduate qualification like an MSc, MGeol, MSci or PhD.

### Job Description:

Geoscientists study rocks so they can learn more about the earth's structure and its natural energy resources.
