Explore Career Roles in Science and Healthcare

Interested in a career in science? Not Just Lab Coats offers a careers library of all the different roles in the sector. In addition, you can take their careers quiz to help you decide on your next steps!

If the NHS is of interest to you, you can explore their range of roles through the NHS Careers Hub, and take part in their online careers quiz.

Medicine and Dentistry—Scholars

By registering for one of the upcoming 'Get Into' conferences, you will have access to virtual work experience opportunities as well as medical and dental society conferences.

Subject Spotlights

Year 12 Sutton Trust Summer Schools

Explore the exciting possibility of studying for a STEM degree at Imperial during this four-day residential summer school. This summer school is fully funded and free of charge for successful applicants who meet the eligibility criteria. Students spend their time on Imperial's South Kensington campus, immersed in the academic department of their choice, allowing them to explore the subject they are passionate about while gaining practical skills relevant to their future studies.

Applications for the Year 12 Sutton Trust Summer School close on Thursday 6th March at midday. For more information and to apply [click here](#).
