Apprenticeships and Employment

Accenture—Early Talent Platform

We're excited to share that **Accenture** - a global professional services company - has just launched their [Early Talent platform](#), designed to support Year 12 students (and their parents!) in exploring apprenticeship opportunities.

Whether your child is already considering a degree apprenticeship or still figuring things out, this free platform is a fantastic place to start.

Amazon Summer Challenge

The world is becoming increasingly digital, and technology is reshaping every industry from healthcare and finance to entertainment and manufacturing. No matter what job you want in the future, digital skills will be important. The good news? You're probably already using them whether it's learning apps or tools, social media or AI! Amazon and Springpod have you covered! Try to finish all the experiences and Extra Challenge tasks.
